Dress: Your best disco attire

Venue: Held at the Kichi Kich restaurant at the Cable Beach Resort.

Please note this is an adult only event.

Welcome to Disco in the Desert!

Ladies and gentlemen, step into the neon glow of the '70s as we bring the legendary sparkle of disco to the heart of Broome, right here by the family pool at Cable Beach Resort. Tonight, we're cranking up the beats and turning back time to an era of glitter, glam, and funky moves.

Think Studio 54 meets the desert sands, where the rhythm of Donna Summer, the groove of Earth, Wind & Fire, and the iconic swagger of the Bee Gees will have you dancing all night long. Whether you're channeling your inner John Travolta or shining bright like Diana Ross, tonight is all about celebrating the sparkle of the past with the warmth of the desert under the stars.

So, get your boogie shoes on, don your most dazzling attire, and join us as we crown the king or queen of disco with a fabulous prize for the best dressed. The night is young, and the beat never stops—let's make it a night to remember!
