# Australasian Anaesthesia

## **SUBMISSION EXPRESSION OF INTEREST**

Before starting your article, we ask you submit this form to the editorial staff for review. This is intended to avoid unintentional duplication of submissions, and ensure the topic and format proposed are appropriate for the scope of *Australasian Anaesthesia* (commonly referred to as the Blue Book).

This form **must be completed**, with the topic approved and an editor assigned, prior to an article being submitted for review.

Please send the completed form (scanned or edited) electronically to [bluebook@anzca.edu.au](mailto:bluebook@anzca.edu.au). We'll contact you to confirm receipt.

**Proposed article title** (can be modified before final draft):

### **Subsection**

(Indicate ANY areas the proposed topic primarily involves):

Acute pain	Equipment	Patient safety
Airway management	General	Perioperative medicine
Basic science	Intensive care	Regional
Breathing/ventilation	Interventional pain management	Research
Burns	Medicolegal	Retrieval
Cardiothoracic	Neurosurgical	Sustainability
Chronic pain	Obstetrics	Training and education
Circulation	Paediatrics	Trauma and resuscitation
Coagulation	Palliative care	Wellbeing
Culture and standards		

### **Article summary (500 words max):**

(include a background on why the topic is important, what you intend to discuss, what you hope your article will add to the current literature, and how you and your group are appropriately positioned to provide an authoritative or expert insight on this topic).

## Author details

First author's name:

First author hospital and country:

First author e-mail address:

## Proposed date for completion of first draft:

---

I confirm this article (or a significantly similar production) has not, and is not, being considered for publication elsewhere until assessment by *Australasian Anaesthesia* is complete.
