## SA/NT Part One Primary Long Course Trainee Agreement

It is a requirement that you enrol into the part one course. Regular attendance is an expectation. If you miss more than three sessions, you will need to provide a valid reason to continue to be enrolled in the course.

As a part one participant you will receive the part one program and accompanying presenter documentation (where available).

**NB: SANTRATS trainees based at RDH and NT independent anaesthetic trainees are exempt from the attendance requirement, and it is noted they will only attend online when their schedule allows. Non SA/NT trainees, based at RDH, may attend the online sessions, if streamed in the department, however, will not be given direct access to the part 1 notifications, Zoom link or documentation.**

### Responsibilities and declaration by the applicant

1. I will endeavor to attend each session.
2. I acknowledge that each week I have the opportunity to complete and email to the part one convenor a practice exam question related to the weekly topic.
3. If I am unable to attend a session, I understand it is my responsibility to email an apology and reason for non-attendance by the Monday prior to each tutorial to [mgully@anzca.edu.au](mailto:mgully@anzca.edu.au)
4. I understand if I miss more than three sessions, without a valid reason, I will no longer be able to attend, be on the distribution list or access course documents. If withdrawn from the course I will need email approval, from the SOT at my hospital and a part one convenor, to continue to participate.

### Acceptance by the applicant

I accept the responsibilities as outlined in this agreement.
