

## **The Role**

This VMO role provides an opportunity to establish an independent private practice from Mildura Health Private Hospital that has recently completed a \$12 million redevelopment of operating theatres, patient recovery areas and central sterile service department (CSSD).

This is a wonderful opportunity to apply your specialist anaesthetic expertise in a 56-bed medical and surgical private hospital setting on a schedule determined by the VMO. Mildura Health Private Hospital is supported by a dedicated team of staff that complement the following specialities:

- Cardiology
- Dental
- Ear, Nose and Throat
- General Medicine
- General Practice
- General Surgery / including weight reduction surgery
- Gynaecology
- IVF
- Ophthalmology
- Oral & Maxillofacial
- Orthopaedics
- Plastics
- Urology

### **The VMO can access benefits including:**

- 100% private billings
- Admitting rights for inpatients and inpatient billing
- Use of the Mildura Health Private Consulting Suites
- Relocation assistance

### **Qualifications:**

- Fellowship of the Australian and New Zealand College of Anaesthetists (FANZCA)
- Current Australian Health Practitioner Regulation Agency (AHPRA) specialist registration
- Current National Police Check
- Current Working with Children Check
- Current immunisation/vaccination requirements as per the Victorian Department of Health directives
- Demonstrated clinical ability commensurate with that of a Specialist VMO Anaesthetist in a private hospital setting
