

## Staff Specialist, Anaesthetics

### Bayside Health Service, Metro South Health

- **Shape exceptional care with compassionate leadership in anaesthesia.**
- **Collaborate with a dynamic multidisciplinary team, delivering excellence across surgical specialties.**
- **Drive innovation and education in a role that balances clinical and leadership responsibilities.**

### Overview

Alumni Global is proud to collaborate with Metro South Health to find an experienced Staff Specialist in Anaesthetics for Redland Hospital. This exciting opportunity allows you to lead anaesthetic services within a progressive health service dedicated to delivering compassionate, patient-centred care.

Based in Cleveland, Queensland, this role provides the perfect balance of a fulfilling professional career and a desirable lifestyle location. You will guide a high-performing team, ensuring exceptional patient outcomes across surgical specialties while fostering an inclusive, innovative workplace culture.

### About Metro South Health

Metro South Health is the major public healthcare provider for Brisbane's south side, Logan, Redlands, and the Scenic Rim. Serving one of Queensland's most culturally diverse regions, we take pride in delivering high-quality care, teaching excellence, and innovative health solutions across five major hospitals, including Redland Hospital.

Our values—Integrity, Compassion, Accountability, Respect, Engagement, and Excellence—are at the heart of everything we do, shaping our care for patients and guiding our decision-making processes.

### About the Role

As a Staff Specialist in Anaesthetics, you will play a pivotal role in delivering high-quality healthcare and driving the development of innovative clinical models of care. This position involves managing anaesthetic services across surgical specialties, supervising medical staff, and participating in quality improvement initiatives.

Key responsibilities include:

- **Clinical Leadership:** Provide high-quality care in adult and obstetric anaesthesia across surgical specialties.
- **Supervision:** Oversee the clinical activities of registrars, senior medical officers, and junior doctors.
- **Multidisciplinary Collaboration:** Work closely with the Emergency, Obstetrics, and High Dependency Unit teams to ensure integrated patient care.
- **Education and Development:** Mentor and teach medical trainees, fostering professional growth and learning.

- **Quality and Safety:** Participate in audits, incident reviews, and evidence-based policy development to uphold the highest standards of patient care.
- **Service Planning:** Contribute to operational and strategic planning for anaesthetic services.

### About You

You are a collaborative and strategic specialist with extensive experience in anaesthetics, particularly in complex, high-volume environments. You thrive on engaging with diverse teams, driving clinical excellence, and mentoring the next generation of medical professionals.

To excel in this role, you will have:

- **Qualifications:** MBBS or equivalent with FANZCA or eligibility for specialist registration in anaesthesia with AHPRA.
- **Clinical Expertise:** Proficiency in adult and obstetric anaesthesia, with experience in paediatric anaesthesia and acute pain management highly regarded.
- **Influence:** Proven ability to influence multidisciplinary teams in a supportive, inclusive manner.
- **Education Focus:** A commitment to teaching and mentoring within the department.
- **Continuous Improvement:** Strong understanding of clinical governance and dedication to quality improvement initiatives.

### Why Metro South Health?

- Join a dedicated team delivering world-class healthcare in Queensland's fastest-growing regions.
- Benefit from a supportive, inclusive workplace culture prioritising professional growth and work-life balance.
- Access flexible working arrangements and generous remuneration packages.
- Enjoy living in a vibrant coastal community with access to stunning natural attractions and city amenities.
