ANZCA Auditorium (Ngargee)

Our largest and most versatile space, with floor-to-ceiling windows, built in audio-visual technology and an undercover terrace for guests to enjoy. It suits a range of events including large stand-up cocktail parties, award ceremonies, formal sit-down dinners and long table feasts. The auditorium can be extended further to include the light filled foyer space, offering more room for movement.

Douglas Joseph Room (Dhanga)

This multi-functional space offers history, elegance and grandeur. It is the perfect space to host drinks receptions, a celebratory lunch or a formal dinner. French doors along the length of the room open up to incorporate an outdoor terrace, leading on to the beautiful ANZCA gardens.

ANZCA gardens

The beautifully landscaped gardens offer a tranquil space for more relaxed events such as cocktail parties, barbecues or team building days. Our functions co-ordinator can arrange for bar tables, a marquee and lawn games to be set up, taking full advantage of the space available.
